

Boost your office or corporate moral with a fun-filled bowling event

Yosemite Lanes Family Fun Center is ideally suited to host your next group or corporate function. We offer team building, office or group parties. Bowling offers something lacking in most other party venues; it encourages perfect strangers to mix, mingle and get to know each other. You don't have to be a great bowler to mix it up and have some fun with your co-workers.

Food and drink contribute to your enjoyment while at Yosemite Lanes Family Fun Center, so we make sure we use only the highest quality products, at prices that offer value for the customer. In addition to the usual bowling fare our experienced food and beverage department can cater ANY function, with any menu for groups of 25 or more. Whether it's burgers, hot dogs, hot and cold hors d'oeuvres, a tri-tip buffet...You name it, and we can serve it up.

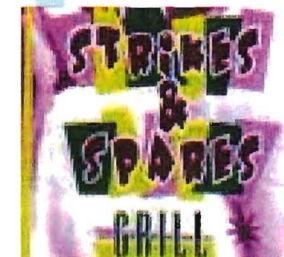

We also offer our Glow Extreme Bowling, which adds to the fun of any event. With music and lights, we turn your bowling outing, into a night at the club.

Corporate bowling events have continued to grow as company management have discovered that bowling is a great morale booster and a perfect way to get the company together for a special event. There's never a need to worry about feeding the crowd because Strikes and Spares Grill experienced catering service offers a wide variety of menus, appetizers and finger foods. Bowling/Buffer packages start as low as \$18 per person. Isn't it time to boost your staff morale?
